Dear Iris Friends:

It is time to think about Iris again. I have enjoyed hearing from so many of you, telling me how pleased you were with the Rhizomes, extras, gifts, etc. I assure you that I get just as much pleasure "tucking in" the extras.

I wonder if you would be interested in knowing that this is a "One Woman Nursery." I am the digger, shipper, bookkeeper, etc." One gentleman wrote last year and said I sounded like "Man Mountain Dean!"

Best wishes for a beautiful Iris display.

Sincerely,

Bernice R. Roe
